

Increasing discoverability

Make sure that your users can easily locate the material they need from the books hosted in **SAGE Knowledge** by following these simple steps.

Adding SAGE Knowledge to your catalogue and library websites

Have you ...

- Listed SAGE Knowledge in your A-Z eBooks and subject listings?
 - ➔ We recommend cataloguing SAGE Knowledge as eBooks, not as a database, under the relevant social science discipline guides

4,700+ social science books, encyclopedias and monographs as well as cutting edge research and browse functionality

- Read our user guide?
 - ➔ http://sk.sagepub.com/uploads/files/sk_user_guide_1.pdf

Training resources include an online demo of the product

- Used the recommended product description?
 - ➔ *Hosting more than 4,700 titles, SAGE Knowledge includes an expansive range of SAGE eBook and eReference content— including scholarly monographs, reference works, handbooks, professional development titles, case studies, and streaming video— making this the ultimate social science digital library for students, researchers, and faculty.*

- Downloaded the latest MARC records for your catalogue?
 - ➔ All titles: [Download MARC Records - All SAGE Knowledge titles](#)
 - ➔ Custom batch for your holdings: visit your [account admin page in Secure Center](#)

- Added a search widget to your catalogue or library website?
