Bringing teaching, learning and research to life

## Education

**SAGE Video streaming collections, for library purchase, are developed in partnership with leading academics, societies, and practitioners, including many of SAGE's own authors and academic partners, to deliver cutting-edge research-oriented video within the social sciences.**

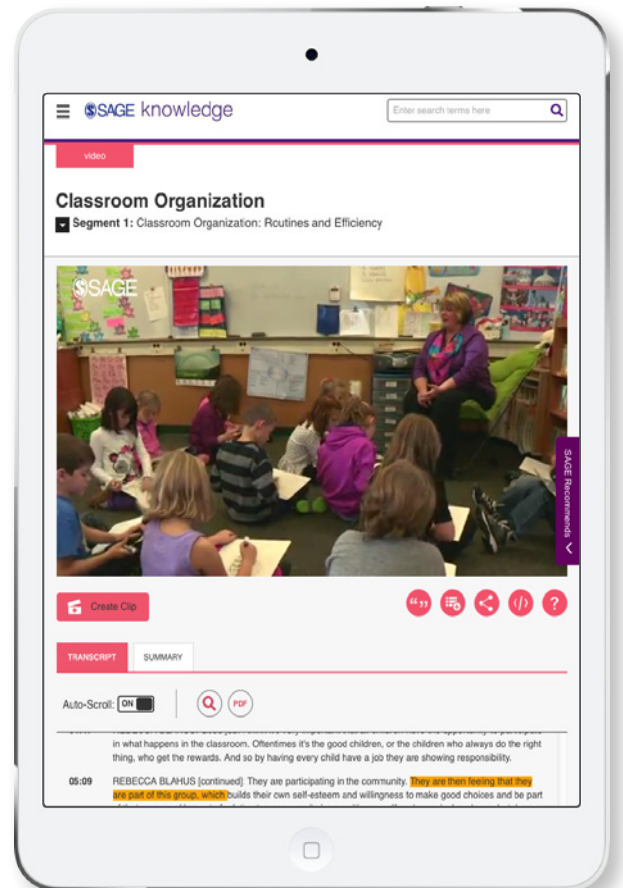

**Each collection includes a breadth of video types and lengths to support students of all levels, such as case studies, tutorials, interviews with leading researchers, documentaries, footage of real-life professional contexts, quick reference definitions, and more.**

This **Education Collection** offers a practical view into a full range of teaching settings and situations, from early years to educational leadership. As much as 65% of the content in this collection is exclusive to SAGE.

Best-selling author and activist **Temple Grandin** discusses autism, and contributors also include leading authors **Peter Smith** on bullying, **Dominic Wyse** on curriculum, and **Peter Earley** on leadership. Teachers, principals, and other education practitioners demonstrate and discuss key methods to support students who need to understand theory or how to apply it in practice.

**More than 120 hours and 450 videos on these topics:**

- Classroom Discipline & Organization
- Staff Development & Professional Learning
- Elementary/Primary Education
- Early Childhood Education & Development
- Gifted & Talented Education
- Secondary Education
- Educational Administration & Leadership
- Special & Inclusive Education
- Teaching Diverse Students
- Learning Theories
- Working with Parents, Families & Communities
- Educational Research

## User-centered design

Ease of use and accessibility are at the heart of our video program delivery. The site is mobile-optimized, and functionality meets student and faculty needs both in and outside the classroom. Videos can also be easily integrated into learning management systems.

Annotations for the video player interface:

- Move to a different segment of the video
- HTML5 player
- Create a clip with a unique URL
- Speed up or slow down play, use closed-captioning, change video size
- Auto-scroll; searchable, downloadable transcript
- Cite, share via email or social media, save to a playlist, or embed HTML code in a web page
- Embed your clips in your course management system
- Shortcut keys

Annotations for the metadata page:

- Video thumbnail continues to play as user scrolls down page
- Abstract and detailed metadata
- Links to suggested related content on the platform
- Floating toolbar
