

## Unlock Nursing Assessment Questions

### Using the SAGE Video Instructor Verification Code

**SAGE Video** streaming collections are developed in partnership with leading academics, societies, and practitioners to deliver cutting-edge teaching and research-oriented video. The **SAGE Video Nursing collection** is accompanied by instructor-only assessment questions for select videos in downloadable and editable formats. Questions are specifically curated to help supplement corresponding video content.

To access the assessment question feature using your library's verification code, follow these steps:

- Access *SAGE Knowledge* and click "Profile" to log in or create a new profile
- You can also access this page directly at [sk.sagepub.com/profile](https://sk.sagepub.com/profile)
- This will load the "My Profile" page

- Scroll down until you find the **SAGE Video: Nursing Instructor Access** checkbox. When you select the checkbox, a "Verification Code" field will appear. Input your code into this box and click "Save" at the bottom of the page. Remember that the code is case sensitive.

## Accessing SAGE Video Nursing Assessment Questions

Once you have added an instructor verification code to your personal account on *SAGE Knowledge*, you will be able to access the assessment questions for select videos within the **SAGE Video Nursing Collection**.

- Access SAGE Video Nursing Collection at: [sk.sagepub/video/nursing](https://sk.sagepub/video/nursing)
- Once on the SAGE Video Nursing Collection platform and identify a video that contains assessment questions, click the “**Assessment Questions**” tab.

**The Value of Mentoring in Nursing**  
Segment 1: Dr. Benita Chatmon and Nicole Thomas Share Their Interest in Nursing

TRANSCRIPT | SUMMARY

Auto-Scroll: ON

00:00 [MUSIC PLAYING]

00:11 BENITA CHATMON: Hi, I am Dr. Benita Chatmon. I am nursing faculty at LSU Health New Orleans School of Nursing. And I have with me today--

00:20 NICOLE THOMAS: Nicole Thomas. I am a master's-prepared registered nurse. And I am also faculty at LSU Health Sciences Center for the School of Nursing.

00:29 BENITA CHATMON: So what drew me to nursing? I think I just genuinely love to take care of people. I really do have a heart for just taking care of people, especially when they are vulnerable, they're sick. My mom was a nurse. Well, my mom is a nurse. She's still working. And I think just the compassion and dedication she had,

Abstract

Dr. Benita Chatmon, PhD, MSN, RN, CNE, and Nicole Thomas, MSN, RN, at the LSU Health New Orleans School of Nursing, discuss the value of mentoring relationship in the nursing profession.
